14 October 2026

Dear Parents and Guardians,

We are very excited to share a new way of recording, celebrating, and tracking your child's learning and development in our setting using Tapestry.

What is Tapestry?

Tapestry is a secure online learning journal that allows our staff to capture your child's day through photos, videos, notes, and observations mapped against the Early Years Foundation Stage Statutory Framework.

You will be able to login to your Tapestry account using details that will be sent to you shortly. You will then be able to see your child's journey: You will receive email alerts when new observations are added. You will be able to view, like, and comment on your child's moments. You will also be able to share home moments: You can upload your own photos, videos, and notes about what your child gets up to outside of school. Tapestry is safe and private: the app is hosted on secure UK servers. You will only have access to your own child's journal using your personal email and password.

Important Guidelines

To keep all of our children safe and maintain confidentiality, we ask that you agree to the following rules:

- No social media sharing: Please do not share or post any photos or videos from Tapestry on social media platforms (such as Facebook or Instagram).
- Keep login details private: Do not share your login credentials with others.
- Group photos: If your child appears in a group photo with other children, please respect the privacy of those other families.

Breaching these confidentiality rules may result in your access to Tapestry being withdrawn.

Please follow the link to agree to these guidelines. Tapestry Agreement

If you have any questions, please speak with your child's class teacher.

Kind regards,

L Chabvuka

Mrs Chabvuka
Headteacher
