New Online Safety Role

As part of our on-going commitment to internet safety and raising awareness of Esafety we have created a new **online safety role** in school. This will be carried out by Miss Earl, our computing lead, and will build on our current esafety practices in school to develop links with other schools as well as support parents at home. Watch out for workshops offered on online safety and where possible do try to get along to these valuable opportunities to share the latest information on keeping children safe on the world wide web.

Art Exhibition

In order to showcase the work produced by classes during Arts Week, we will be holding an art exhibition in the school hall after school on Thursday 8th June. Do try to pop in and you will be amazed at the artistic creativity of our children.

After School Clubs

Most parents are very punctual in picking up their children from after school clubs but recently there has been a spate of children being left at school, sometimes up to an hour after the club has finished. Apart from the distress to the child left waiting, this has resulted in our sports coaches being late for their evening coaching commitments in other venues.

I would ask that all children are picked up on time from clubs as, where a child is repeatedly picked up late, we will have no option but to withdraw the place.

50th Mass Celebration

As part of our 50th celebrations Bishop Paul will celebrate mass with us at Our Lady of the Annunciation Church on Wednesday **7th June at 10.30am.**

All parents and past members of our school community are invited to attend!

There will be refreshments served in the parish hall afterwards and a chance to view some of the photos of the school taken over the past 50 years.

Parents are invited to walk over to the church with the classes. We will be leaving at around 9.30am.
