Parent Governor Elections **WE NEED YOU!!**

Please do consider standing for the position of parent governor. This is an important role as Parent Governors are an important component in achieving an effective and well-balanced governing body. It is very important that parents stand for election to the governing body so that the views of parents with children at the school are represented on it. Otherwise, a parent may be appointed to serve who has no children in the school and who knows very little about the school and its local community.

Nomination forms, personal statements and declarations must be returned to the school by **10.00am on Wednesday 10th October.**

If you are undecided but want to explore the role further then do book an appointment to see Mr Campbell before the deadline.

PLEASE COMPLETE THE PARENT CONSENT FORMS (GDPR)- deadline has passed!!!!!!

As part of our work to comply with GDPR, we are now re-seeking consent for using photographs or videos of your child on our website, internal displays or other school materials and consent for your child to take part in a variety of activities. We have made this form available online on the school website in the **Parent Info** section under **School Forms**. Please complete **a form for each child** you have at the school and submit it online asap. If you would prefer to complete a paper copy, please contact the school office who will arrange this for you.
