

# REVIEW OF SPORTS GRANT EXPENDITURE 2019 – 2020

## Aims

Our main aims at St Thomas Becket are to: increase the number of pupils engaged in regular physical activity and healthy lifestyles; raise the profile of PE and sport across the school, as a tool for whole school improvement; increase the confidence, knowledge and skills of all staff in teaching PE and sport; increase the range of sports and activities offered to all pupils and increase participation in competitive sport.

The 5 key indicators where improvements should be seen are:

1. The engagement of all pupils in regular physical activity each day.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

**Our objectives include:** engaging inactive vulnerable pupils in activity; raising the awareness of healthy lifestyles and engagement in activity; reducing obesity levels; raising confidence and enjoyment of activity to ensure active and healthy lifestyles; raising staff confidence to ensure children have opportunities and recognise the importance of active and healthy lifestyles.

We are focussing on sustained impact by improving teacher's confidence and ability to teach PE to ensure that PE is taught at a high standard and that all pupils are engaged and challenged.

We have focussed our sport premium expenditure on improving class teacher's confidence, raising the profile of PE and Sport and broadening the opportunities at St Thomas Becket.

This has been recognised in our achievement of Gold in the national **School Games Award**.

**ALLOCATION 2019 – 2020 : £19,750**

<b>SCHOOL OBJECTIVES</b>	<b>COST</b>	<b>INPUT</b>	<b>OUTCOME/IMPACT</b>
To develop staff's confidence and knowledge in order to improve further the quality of PE lessons across the whole school.	£3000	Specialist sports coach worked alongside teachers for a block of 3 weeks to improve delivery of games and dance.
