

## The STBSA Presents ... Becket's 2021 Creative Coin Challenge

The pencils are a gift to help you to draw,  
But the empty tube we ask you to store.  
The tube should be filled with coins you might find  
Ask friends and family, we're sure they won't mind.  
Fill up your tube, right to the top  
Return after half term and we'll collect the lot!

Dear Parents,

On Monday 24th May all the children at St Thomas Becket will be given a tube of colouring pencils as a gift from the STBSA - this is to say 'well done' for all their hard work this half term!

The colouring pencils are for the children to keep. However over the half term we would like the children to get creative, and use their new colouring pencils, plus any other materials they like, to decorate the cardboard tubes containing the pencils. All finished designs should be returned to school, at drop-off, on 7th June - the most creative designs in each class will win a prize!!! Photo's of the winning designs will also be loaded onto the school website, for everyone to admire.

We also ask that over half term that the children do little jobs around the house – for parents, relatives, friends or neighbours – to earn 20p, 50p or £1 coins which can be put into their decorated card tube. Younger children could tidy away toys, make their bed, or help clear the table after a dinner. Older children could wash the car, do some gardening, wash up, or maybe do some laundry.

Hopefully this fundraiser will give parents a chance to put their feet up over half term and also for the children to help raise money for our school. One pencil tube can hold £8 of 50p's or £18 of £1's!

### **Next Steps: Once the card tube has been decorated & the coins collected ...**

Secure the lid on the tube, use the sticky label provided to add your child's name and class to their design. AM on Monday 7th June, the first day of school after the half term, boxes will be placed in each classroom for children to deposit their creative coin creations. Mr Campbell will pick the winning designs from each class.

### **How will the Creative Coin Money be Used?**

The money raised be used to purchase benches for the trim trail, climbing frames in the juniors playground.

Thank you for your continued support!
