2 September 2021

Dear Parents,

I hope that you have all managed to have a break at some point this Summer and that Covid hasn't impacted too much on you. We have been busy at school with lots of deep cleaning, painting and renovating and are getting ready to welcome all the children back.

We are hoping that we can see a start to returning to some degree of normality and that we can return to the pre-covid level of education and opportunities that we want your children to experience.

As such please find attached links to some key documents – one shows what we will do in the event of a Covid-19 outbreak – including the thresholds for when we would be required to invoke additional measures - (**outbreak management plan**) and the other is purely operational information which outlines things that you may wish to know in order to understand what your children will experience in school in terms of breaks, assemblies, trips etc (**Phased Recovery Plan**).

We have amended our **Covid Risk Assessment** in light of new guidance and this has been published on the school website. This will be amended if and when covid guidance changes. This is also available as a link on this text.

To our new parents in Reception– I look forward to welcoming you and your children to our fantastic school community.

Our after / before school clubs programme will be starting up again over the next few weeks so watch out for details being sent out to all parents.

**IMPORTANT:** Children attending morning sports clubs should come to school wearing their PE kit (uniform in bag) as classrooms will not be available for changing.

Please note that while children have had the option of wearing either winter or summer uniform over the past term, normal school winter uniform will resume after October half term.
