

REVISED SCHOOL UNIFORM POLICY

The school aims to foster and deepen the children's faith through a genuine partnership between the home, school and parish. Only through this can we hope to:

- *Help children develop a sense of self worth and promote a spirit of respect for others.*
- *Strive to maintain the highest possible standards of behaviour and help all children to achieve their full potential (extract from school mission statement).*

It is our school policy that all children wear school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours.

Aims and objectives

Our policy on school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind.

The Head teacher reserves the right to decide what is "reasonable" in terms of hairstyles and any aspect of the uniform policy. In individual cases where any uniform requirements have not been met, parents will be contacted immediately.

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed, which includes the child having the correct uniform that is clean and in good repair. If a child's uniform does not meet the standards outlined in this policy parents/carers will be informed by a letter which will identify the reason(s) and there will then be a follow up check to ensure the issue has been resolved. We will always try to act in a reasonable manner and involve parents at an early stage.
