

Year 1 Learning for the week beginning 19th September 2022

Science: This week we will be reading, The three Little Pigs. The children will explore materials and decide which ones are used to build different parts of a house. Please talk to your child about different materials which are used for building.

R.E. We will continue with the theme of 'Families'. We will focus on God's love and care for us. We would be grateful if the children could take in a picture of their family for our lesson discussion. Thanks to the families who have sent in their picture.

English In Year 1 we learn/ review 3 sounds each week. The sounds for the coming week are: ow (blow the snow), oo (poo at the zoo) and oo (look at a book).

The children will also practise spelling the common exception words he, me, be, she, he, we, said, to, do, has, is, they, you, the.

Maths The children will continue their learning about Place Value this week in maths. The focus will be on recognising numbers as words and making comparisons. The children are also starting to practise number facts which make 10: **9+1** **8+2** **7+3** **6+4** **5+5**. The children must be able to recall these number facts without counting up on their fingers.

PE -The children will be having PE Thursday/Friday in the mornings. Please remember to bring their PE kits back to school each Monday. Please ensure the children have the correct PE kit in school.

Home learning- Home learning is attached to this letter. Each week a piece of phonics work will be set, alongside a CLIC and Learn Its. This work does not need to be returned to school each week. Please read with your child at home and sign there reading diary. Your child will be read with and have a book change at school once per week.

Milk: If you would like your child to have milk daily, please sign them up on the website: www.coolmilk.com. This will need to be paid for as they are now over 4 years old.

Thank you all for your continuous support.

The Year 1 Team.
