

Year 2 Newsletter – 30th September 2022

Dear Parents,

We have had another busy week in Year 2 and the children have worked very hard. With the weather turning colder, we would like to remind parents to send in coats. Please label coats and any other item of clothing clearly with your child's name.

Thank you to all the parents who brought in goods for the Harvest Festival.

The Year 2 Team

Our big question is:

What would Traction Man use to make himself a new superhero costume?

Next week's learning:

RE: We will be talking about St Paul and his message in Ephesians 1: 4-5. The children will be reflecting on the wonder of God's creation and how it shows His love for us.

English: We will continue to look at the story 'Lost and Found' by Oliver Jeffers. We will be learning about the 1st person and writing about the story from the boy's point of view.

We will begin to have spelling tests from next Friday. The spellings for this week are on this newsletter.

Maths: We will be revising number bonds to 10 and to 20 and the corresponding fact families.

Science: Continuing to test materials and discover their properties.

Computing: We have begun to create our own e-books which continue the story 'Lost and Found'. The children will be learning how to change the order of the elements and add voice to their pages.

Spellings – Test Friday 7th October

Key Dates

30th November and 1st December –
KS1 Nativity Play

Key Reminders

Please could still send in recyclable materials for our DT project. We would appreciate items such as plastic trays, yoghurt pots, cardboard, foil etc. We will be using these materials to make boats in a few weeks.
