

Year 1 Learning for the week beginning 3rd October 2022

Dear parents and carers,

Science- In science we will be testing different materials to find the best one to make a good bridge for the Three Billy Goats Gruff.

English -The sounds for the coming week are: ou, ir and oy. Please use the sound cards to practise these and all sounds learnt so far this term. We have sent home a reading sheet to help you practise sounding out words with these sounds with your child. When they are confident with reading the words, please practise spelling them too. We will be reading the story of The Three Billy Goats Gruff. The children will create a wanted poster for the troll.

Maths -This week in Maths we will be looking at ordering objects and numbers using ordinal numbers and doing calculations on the number line.

Please continue to practise number facts, recalling pairs of numbers which make 10 by heart (without counting on fingers). Many children are finding it challenging to remember the pairs of numbers. There is a link to a song on YouTube which might also help! <https://www.youtube.com/watch?v=-74-3WSrDO>

R.E. - We will begin our new topic-Belonging. Please talk to your child about the different groups they belong to.

PE- Please ensure that your child has the correct PE clothes and take their PE kits with them to school on Mondays.

Home Learning for the week

Phonics

There are phonics games located on the home page on the google site. Words for home reading sheet are sent home each week. Phrases to help children remember these sounds are on their sound mats.

Maths

- Continue to practise Learn Its and CLIC 3
