

Year 1 Learning for the week beginning 14th November 2022

Dear parents and carers,

Thank you so much for attending the Year 1 Phonics Workshop!

Hats, scarves, gloves, earrings, hair slides/bands/ties Some children are wearing items of clothing which do not conform to the school uniform policy, particularly those listed above. Please note that correct school uniform is listed as one of our school rules. Parents will be sent a reminder letter if their child is not wearing correct school uniform and must act on this in order to ensure their child is following the school rules. Where an issue continues, parents will be invited in to discuss.

Infant Nativity Play For the next three weeks we will be practising for the Nativity play. During this period, much of our time will be devoted to rehearsing. Please note that the children will have their reading books changed each week, but may not read with an adult in school as regularly. Please be patient during this period and continue to read at home.

Learning Challenge The question for the coming week is 'Who invented the aeroplane?' We will learn about the Wright Brothers and Amelia Earhart. We will also be looking at the Invention of the motor car.

R.E. The children will learn that Advent is a time for waiting and preparing for the birth of Jesus at Christmas. The children will be talking about how Elizabeth helped Mary in preparation for the birth of baby Jesus.

English We will be writing about the Invention of the Motor Car.

The sounds for the coming week are: ew (chew the stew), ire (fire, fire) ear (hear with your ear). We have sent home a reading sheet to help you practise sounding out words with these sounds with your child. When they are confident with reading the words, please practise spelling them too. We have included some common exception words (red words from Read, Write Inc) on the reading sheet.

Maths The children will be focussing on - Position and Direction and Addition Please practise counting in 5s and number bonds to 10. The children are becoming more confident with these everyday ☺

Year 1 Learning for the week beginning 14th November 2022

PE- There might be some disruption to PE lessons due to or Nativity Rehearsals.

Home Learning for the week

- Sounds buttons worksheet attached
- Research the Wright Brothers and Amelia Earhart and the history of aeroplanes
