

Year 2 Newsletter – 18th November 2022

Dear Parents,

We have begun to practise our Nativity play this week. The children have worked very hard on learning their lines so a big well done to them. This week, we would appreciate it if you could work with your child on saying their line loudly and slowly. We have said to them how this is their moment to shine and that they should enjoy standing up and shouting their line nice and loudly and clearly.

Please remember to send in a labelled Christmas jumper in a named bag next week. We would like all jumpers to be in by Friday.

Next week is Computing Week. The children will be taking part in the 'hour of code' using the website code.org. Your child may wish to continue exploring coding and programming through this website at home.

The Year 2 Team

Next week's learning:

RE: We will begin our topic on Advent.

English: We will be focusing on learning how to spell contractions correctly and we will be continuing to practise joined handwriting.

Maths: We will be identifying and drawing vertical lines of symmetry in 2D shapes.

Computing: Using code.org to learn simple programming.

Friday 9th December – Year 2's Great Exhibition

We will hold our Great Exhibition in the school hall on 9th December. We invite family and friends to come to the hall from 2.30pm until 3pm to view the amazing inventions. Please remember to send your child's invention in to school between 5th December and the 8th December.

Spellings – Test Friday 25th November

contractions

didn't	that's
doesn't	who's
don't	they've
hasn't	you've
weren't	we'll

Key Reminders:

21st – 25th November – Please send in a labelled Christmas jumper in a named bag. These will be returned on 1st December.

30th November and 1st December - Nativity

9th December – 2.30pm Great Exhibition
