### Autumn Term 2 Project - Due on 14<sup>th</sup> December 2022

Our new Geography Big Question is:

Why do we Live Here?

For this half term's project, we would like the children to find about lots of interesting information about their local area. This should directly relate to the town that they live in - e.g. Croydon, South Norwood, Shirley etc..

They could include:

- Maps they have drawn / labelled - locating their street within the town or locating their town in relation to the London or the UK
- Major landmarks in the town
- Historical facts about the town / changes in the town over time
- Local amenities / parks / shopping centres / churches / entertainment
- Labelling the schools in their town

Please use websites, books, your local library (some keep archives on the local area), family members or friends who have lived in the area for many years. They should either use their PINK HOMEWORK BOOK or create their own project folder.
