

Dear Parents/Guardians,

Learning for the week beginning Monday 5th December

Next week's learning:

We will be teaching the children the sounds 'ng' as in string and 'nk' as in think. This will mean that we have learnt all of the set 1 sounds. For the rest of this term we will be revising all of the sounds that we have learned.

- In maths we will be looking at the composition of the number 6. We will also be looking at mass and comparing the weight of different objects saying if they are heavier or lighter.
- In RE we will be talking about the advent wreath and why there are different coloured candles for each week. We will also be retelling the nativity story.
- Our story of the week is 'Stick Man'
- Our word of the week is 'Nativity'

Reception Carol Concert

The Reception Christmas carol concert will be on the 13th December at 2.30. You are all warmly invited to attend. If at all possible, we would like the children to wear a Christmas jumper for the concert. We ask that the children bring their jumpers in by Friday the 9th December (In a named carrier bag please). We will keep them safely in school until the actual day.

Posada

The class Posada sets have started their journey to each child's home this week. When it is your turn to have the Posada please spend some time talking about the Christmas story with your child and then you can add a prayer and a picture to the green book in the bag. You will have the set for one night only. We ask that you return it to school the following day so that we can share what you have done in school and then send it home with the next family. Please see the rota for each class below so you will know when to expect the Posada.
