HALF TERMLY PROJECT:

The children created amazing projects last half-term about Plants and Animals. The pictures of their projects were shown to the other class and the children had an opportunity to show and explain their project to Mr Campbell and Mrs Lee.

This half term we would like the children to complete a 6 week project that they can be working on at home. Their project will be about the **Victorians** (education, transport, daily life, food, Royalty etc) and should include some reading, writing and drawing. They may also wish to produce a working model. Submission date: the week beginning the 12th December.
