HALF TERMLY PROJECT:

This half term we would like the children to complete a 5-week project that they can be working on at home. The children will need to choose a country of their interest or reflecting their heritage. They will need to research where it is on the map, transport to get there, time zones, cultural facts, traditions, language, food, anything else of interest. They will need to present these facts in any format and should include some reading, writing and drawing. They may also wish to produce a working model. **Submission date: the week beginning the 6th of February.**
