

# St Thomas Becket School

## Readathon!

Child's Name:

Class:

At St Thomas Becket Primary School, we strive to take every opportunity to encourage all of our children to develop a lifelong love of reading. We will be giving the children additional opportunities throughout our Book Week to enjoying reading for pleasure in class, and sharing a wide range of stories, poems, non-fiction books, magazines and newspapers we have in class. Please could you also encourage your child to set themselves a personal reading challenge at home. Perhaps they could read more books than usual, complete a Bug Club book online set by the class teacher on ActiveLearn Primary or borrow some books from your local library to share with you at home. We would love to buy some beautiful book furniture for some of our classrooms, and so would ask if you could support us in our fundraising. Whether you raise 50p for each book you read or a few pounds, it is the taking part that counts and we will be very proud of all your reading efforts!

We would be extremely grateful if you could ask family, friends, neighbours or work colleagues to support your child's personal reading challenge and return this form once completed to their class teacher. All monies you collect should be paid directly into your child's ParentPay account by 31<sup>st</sup> March 2022 into the payment item 'Readathon 2023'. Please do not send any money into school. THANK YOU!

Sponsor's Name	Amount sponsored (£)	Paid – Yes / No
Please tell us about your reading challenge on the back of this form – we would love to hear about the books you have read, the authors you have discovered or the stories you have listened to!	<b>TOTAL:</b>	

Remember to check out our school Gsuite page (accessible on our website homepage) to listen to our staff reading stories for your child to listen to. There are also poems our staff have recommended as well as several books our Junior children have recommended in our Reading Champion Assemblies!
