

Year 1 Learning for week beginning 27th March 2023

Dear parents and carers,

We are looking forward to our library trip on Monday 27th and Tuesday 28th this week. Thank you to the parents who have volunteered to help with the trips.

St Joseph will be visiting the library on Monday 27th and St Elizabeth will be visiting on Tuesday 28th.

The classes will be leaving school promptly at 13:00 o' clock on their respective days. If you are a parent volunteer, please arrive at the school office by 12:45.

If you would like your child to borrow some books from the library and they already have a library card, please send the card with them in a **named envelope** on their trip day. All children should bring a small backpack to place any borrowed books in.

Please ensure that your child has a waterproof coat for their trip day.

History The children will compare toys from the past and present and say how they are the same and how they are different.

R.E The children will be continuing to learn about the Easter Story and will be writing the story of Easter Sunday.

English We will be focusing on the sounds oi (spoil the boy) and oy (toy for a boy). Please practice these at home with your child.

Maths This week we will be reviewing and consolidating the learning from this term. Please also continue to practise counting backwards from any number within 100 and Learn Its recalling adding 2 and 3 **without using their fingers!**

Please visit our [Gsuite site for additional learning resources.](#)
