

Year 2 Newsletter – 20th March 2023

Dear Parents,

Just a gentle reminder that any home learning projects you have chosen to complete from the gsuite site should be brought into school on Monday 27th March. Remember these are optional projects and there is still time if you wish to complete one with your child.

A new date for our Geography Topic Addiscombe walk is to be confirmed. We will send out a letter once a new date is set.

The Year 2 Team

This week's learning:

Maths – We will be learning to recognise equivalent fractions and review reading time and introducing reading time in 5minute intervals.

English – Reading and writing about the life of Tim Berners Lee.

RE – We continue our Lent topic.

Geography – The children will be looking at maps using a bird's eye view.

History – We will be learning about the life of Tim Berners Lee linking to our English writing.

PE – We are continuing to learn about balances in a range of shapes in our gymnastics lessons. With Coach Martin, the children are learning how to play an appropriate form of rugby.

Music – We are learning songs about friendship, finding and keeping a beat and making up our own rhythmic patterns.

Art – Our Art teacher Anne Pitts will be visiting both classes for an afternoon art workshop.

Spellings – Test Friday 24th March

Focus adding -ed, -ing, -er,

hike	hiked	hiking	hiker
shine	shined	shining	shiner
hope	hoped	hoping	

Key Dates

21th March – Parents' Evening 2

Walk around Addiscombe - TBC
