

Year 2 Newsletter – 24th March 2023

Dear Parents,

We look forward to seeing any home projects that have been completed. The children should bring them in from Monday. We will be sharing them during the week and so will not return them until Friday.

We are hoping to visit London Zoo on 18th May as part of our learning about habitats. I am just waiting for confirmation from London Zoo but wanted to give you all some notice. The cost of the visit will be about £20 and we will be asking for parent volunteers. A letter will come out at the beginning of next term with specific details and costs.

The Year 2 Team

This week's learning:

Maths – We will be completing a practise maths test paper.

English – We will be completing a practise reading paper.

RE – We will be listening to the story of Easter Sunday and retelling it from the point of view of Mary Magdalene.

Geography – The children will be drawing conclusions about our locality using the data they collected during the walk.

History – We will be reviewing the topic and drawing conclusions about how communications technology has changed. We will also be sharing home projects.

Art – We will be using our knowledge of mixing primary colours and creating tints and tones to paint pictures of flowers.

Spellings – Test Friday 31st March

Focus: adding -ing, -ed, -er, -est and -y to one syllable words

patted	patting	hummed
fatter	dropping	saddest
running	runny	fitter
skipping		

Key Dates

Wednesday 29th March – St Francis Parent's Evening

Friday 31st March – 2pm End of term.
