St Brigid's Class: Mrs Haywood-White

HALF TERMLY PROJECT:

This half term we would like the children to complete a 6-week project on science. Our Big Question is **'How can you light up your life?'** The children can research different questions to do with light, i.e what light is, how it travels, how we see things, how shadows are formed...; set up experiments; take photos, videos; make models to test their ideas ... They will need to present these facts in any format and should include some reading, writing and drawing. They may also wish to produce a working model.

Please note the change of the date for the project submission: the week beginning the 17th of April (1st week back) (Mon-Tuesday).
