Please note: Your child is able to change their book whenever they have finished reading it, using books from our class book corner. Please make a note of the date, book title, pages read and comment briefly on how well they have read to you. You could note how fluent their reading was, if they are enjoying it and any words you have helped them read or understand. Your child should be reading at least 20 MINS PER DAY. If you have any problems accessing Bug Club on the ActiveLearn platform, please let us know.

SPELLING: Please see the worksheet provided and learn the words for a test on Friday. We are also learning the spellings from the Year 3 /4 National Curriculum wordlist - this can be found in the centre pages of your Reading Record Book.

MATHS: Please complete the sheet provided. Please also see the CLIC practise videos we have uploaded to our class Gsuite page (click on the link from our school website) to go over any questions your child may be struggling with in maths. There are differing levels available to watch - please ask your child which CLIC they have been studying in class.

This is the link to help your child practise their times tables - it is designed to be very similar in format to the test they will be having in June.

Hit the Button is a good game to play if your child needs to become the 'expert' at a particular times table, before moving onto the Talking Times Tables game which mixes all of the tables. There are also other games on here to extend and challenge children with square numbers, doubling and halving.
