

Year 1 Learning for week beginning 5th June 2023

Dear parents and carers,

This term we have a new big question based on *Geography*.

What would the Go Jetters think about the place where we live?

R.E. The children will learn that God forgives us when we make bad choices and say sorry.

English: Phonics Screening Check week will be week beginning 12th June. The children will engage in a variety of phonics activities over the course of the week. Children will be doing individual reading (not the RWI books) with adults in preparation for phonics screening check. Their books will be changed as normal.

Maths This week in Maths the children will focus on place value to 100. The children will be doing activities to reinforce previous learning and introduce new concepts.

Please continue to practise the Learn Its with your children, focusing on instant recall.

$$9+9=18$$

$$8+8=16$$

$$7+7=14$$

$$6+6=12$$

READING

Please continue to read with your children and write in their reading record. Practice the speed sounds, green and red words in addition to answering the comprehension questions at the end of the book.

Please visit the Gsuite page for resources to support phonics screening at home.

Have a lovely half term break.

The year 1 team 😊
