

Year 1 Learning for week beginning 8th May 2023

Dear parents and carers,

Our big question this term is 'What plants are growing in our Becket garden?'

Science: This week we will be looking at garden plants.

R.E: We will continue our learning about Holidays and Holy Days. This theme will lead to learning about the Feast of Pentecost.

English: Our Core text is The Enormous Turnip. The children will be changing the title and characters to create their own version of the story. This week we will be reviewing the sounds previously taught. Please practice these at home with your child.

Maths: This week we will conclude our multiplication and division topic and begin learning about fractions.

Class assemblies: Thanks to all the parents who have attended St Joseph's assembly. The children were great, thanks for supporting them to learn their lines and the songs.

Reminders: Please ensure the children have the correct PE gears. The weather is now warmer therefore all children should have a PE shorts in their bags.

A gentle reminder of our upcoming school trip on the 15th May to Kew Gardens. We are still in need of a few volunteers for the trip. If you are interested, please email the school office by Tuesday 9th May. Please be aware that if we get too many volunteers names will be drawn out of a hat. We will confirm volunteers on Wednesday 10th.
