

Year 2 Newsletter – 23rd June 2023

Dear Parents,

We have had another busy week at school and the children have been working incredibly hard on their English and Maths. We have also enjoyed focusing on our Arts Week work, creating beautiful Bog Babies and playing along to Fleetwood Mac's Albatross. The Bog Baby work will continue into next week.

On Monday afternoon, we have our sports day. The children need to come into school in their PE kits and they may wear black or white plain trainers or their plimsolls. Please ensure they have a school sun hat and a water bottle. Please also apply sun cream at the beginning of the day. We look forward to seeing there.

The Year 2 Team

Our learning next week:

RE – Islam. We are learning about the importance of family in Islam.

English – We will be reading Mama Panya's Pancakes and discussing the importance of community.

Maths – We will be focussing on reading the time and calculating durations of time.

Geography – We will be comparing and contrasting physical and human features of Kenya and England.

Computing – We are using an app called Scratch Jr to learn how to program simple animations. Scratch Jr is a free app that can be downloaded from Apple, Android and Windows App stores should your child wish to continue their learning at home.
