Introduction

Funded by the Department for Education, the Holiday Activities and Food (HAF) programme provides free holiday club spaces for children in receipt of benefits-related free school meals during the Easter, Summer and Christmas school holidays.

With the increased costs of food and childcare, school holidays can be a challenging time for some families. The aim of the programme is to ensure children have access to a safe space in the holidays, where they can participate in exciting activities as well as have access to a nutritious free meal.

Open to eligible children and young people living or going to school in Croydon, our holiday programmes will offer:

- **free, nutritious and tasty food every day**
- **fun daily physical activity sessions**
- **a wide range of exciting activities to suit different ages, personalities and abilities**
- **opportunities to learn more about healthy eating and nutrition**
- **opportunities for children and young people to socialise with their peers and make new friends**

HAF Summer Programme

The HAF Programme returns for the 2023 Summer holidays – bringing children and young people across Croydon a range of fun, exciting activities, and a healthy meal every day!

This Summer, we are proud to have a variety of clubs up and running ranging from basketball camps, music workshops, multi-sport clubs, performance and arts camps, plus many more. Sessions will include a variety of fun activities and exciting opportunities for children and young people to learn and develop new skills.

All of our holiday clubs are inclusive and will cater for children with low-medium levels of SEN and/or disability, with a specialist SEN provision specifically catering for children with medium/high levels of special educational needs by offering dedicated 1 to 1 support.

HOW TO BOOK?

Eligible children and young people are entitled to up to 16 days of provision over the course of the Summer.

Whilst this document gives an overview of the clubs running this Summer, more information about the activities available can be found on the HolidayActivities booking website.

To book a space onto a holiday club near you, all you will need is your unique booking code already issued to you by your child's school. From there, you will find all the information you need about our fantastic HAF clubs and the activities they will be offering, as well as the details required to register for a place onto the programme.

SUPPORT

If your child is eligible for benefits-related free school meals but you haven't received a unique voucher code to book activities, please contact your child's school. These vouchers have been administered by the school, and you will need to ensure you should have received one. The school will also be able to support with finding your nearest provision, and booking on to camps where appropriate.

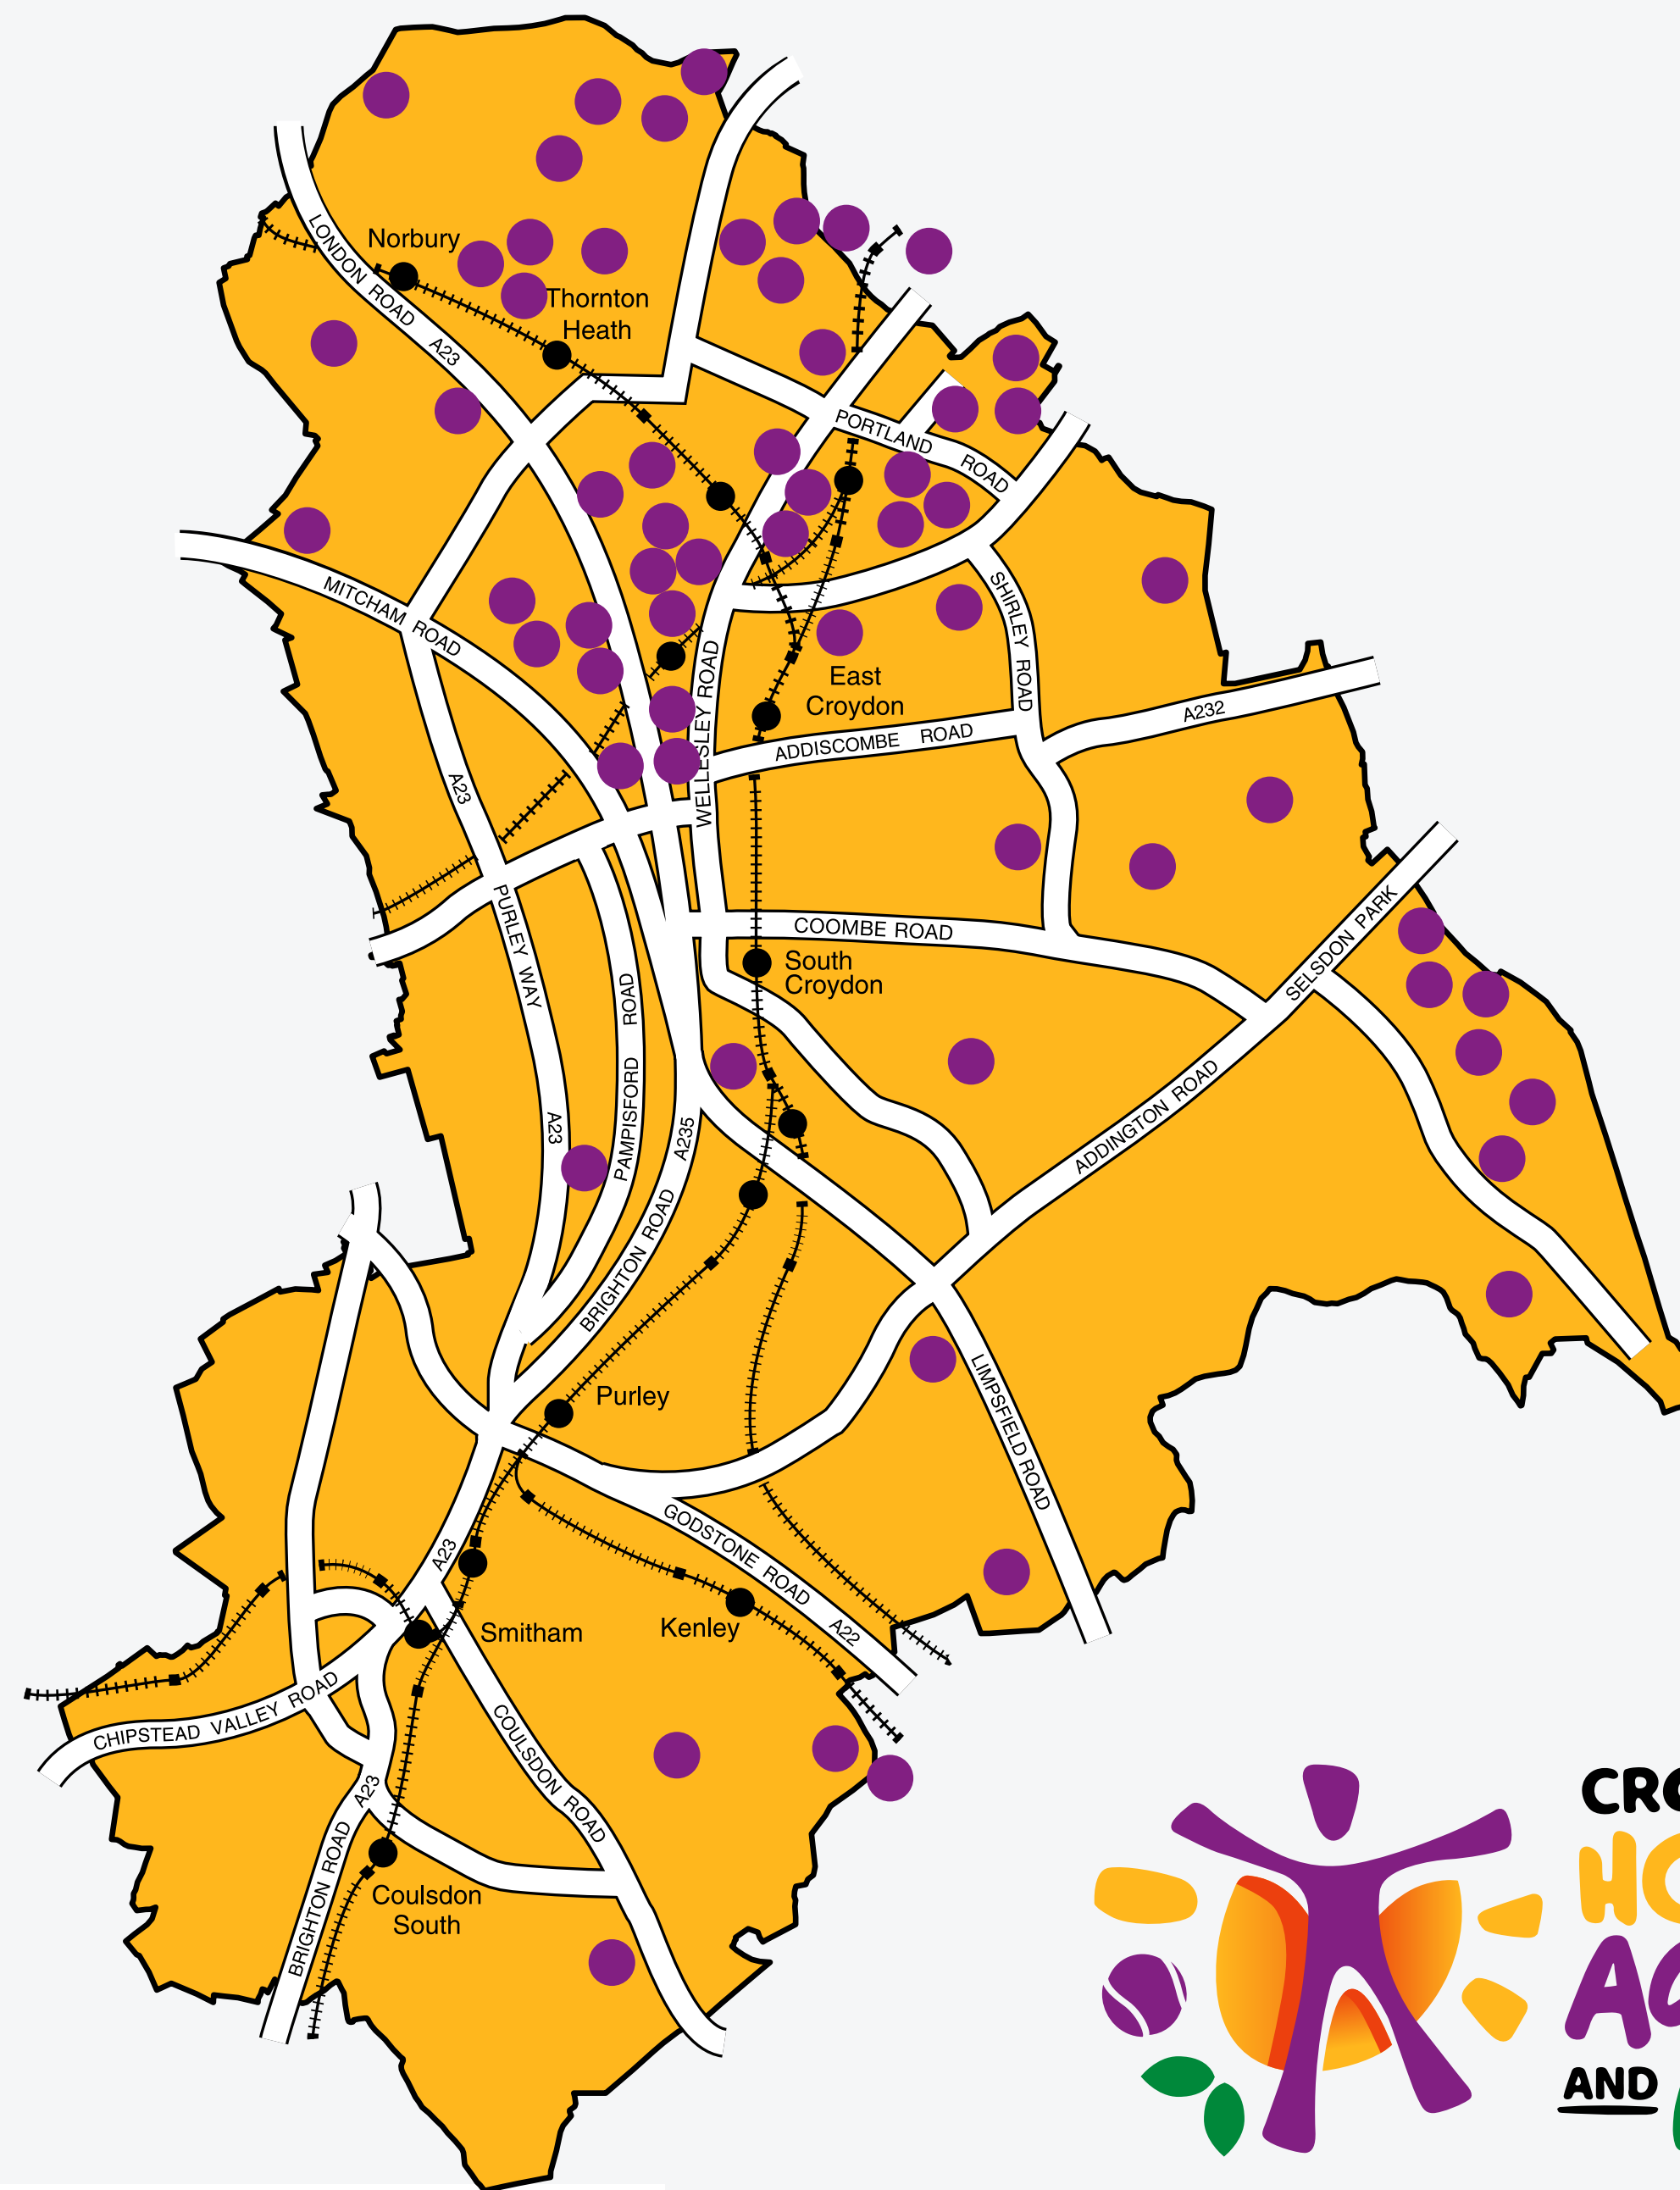

Map of Summer Activities and where to find them

Delivered across four locations in Croydon, the Play Place HAF (Holiday and Food) project is for children 8-13 (Under 8 with a carer) who are in receipt of benefits - related free school meals. The project will provide a free local opportunity for children and young people to enjoy fun activities during the Summer. This will include lots of activities such as sports, inflatable fun, NERF, quizzes music and crafts. Each day the children will enjoy meeting with friends, and we provide a free meal for all who attend. We welcome parents who want to get involved in the project.

Broad Green

Week 2 to Week 5 (Monday - Thursday) 2pm - 6pm

Canterbury Road Nursery and Community Hall,
93-97 Canterbury Road, CR0 3HH

Age range:

5-12

Summary of activities:

Opened in 2014, 2023 National Diversity Awards Shortlisted finalist Mula Cake Kids Club CIC is a multi-cultural inclusive holiday club, where everyone is welcome and catered for. Our main aim is to ensure children do not miss out on hot meals during the school holidays by providing 3 hot meals a day, alongside innovative entrepreneurial enrichment activities which are workshop based. This takes the strain off parents in the school holidays, especially now with the cost of living going up so many parents need an extra helping hand. Mula Cake Kids Club provides that. We develop the educational and entrepreneurial skills of young people, to inspire the next generation of young leaders, which encourages them to pursue their aspirations and contribute to society. We are more than just a holiday club we are community champions - just ask the Broad Green community!

Age range:

10-16

Summary of activities:

Mentivity's HAF Holiday club provision is a geographically focused programme targeted at young participants who would otherwise be inactive, isolated or at risk of violence without a consistent safe space being provided for them. The provision will aim to engage young participants through a number of activities that include media, life skills development, skills builder activities, the promotion of individual wellness/wellbeing and physical activity with the introduction of activities that young participants wouldn't typically engage in. Activities and workshops include: yoga, videography, podcasting, DJ skills, enrichment trips, supermarket sweep, 30 minute meals, Muay Thai, creative writing, football, multi-sports. All activities will be underpinned by group mentoring sessions, with individual 1:1 mentoring sessions for young participants who are identified as needing additional support.

Week 2 to Week 5 (Tuesday – Friday) 10am - 2pm

Gresham Primary School

Limpsfield Road, Sanderstead, South Croydon, CR2 9EA

Age range:

5-14

We host an Active programme which we have named 'Fit and Fed' that includes a wide range of sports and activities along with a daily healthy meal. The primary aims of the programme are to reduce social isolation, keep children active, engaged and stop 'holiday hunger' for children aged 5 to 14 years who are in receipt of benefit based Free School Meals (FSM). We offer age-appropriate physical fun and enriching activities that provide children with an opportunity to develop new skills nutritional education aimed at improving children's knowledge and awareness of healthy eating with food education for families and carers. This scheme has been heavily influenced by Premiership footballer Marcus Rashford. We are focused to supporting the HAF programme and we continue to support young people with Special Educational Needs, learning & physical difficulties. We want to support more families by way of help from school partnerships and SENCOs. To add extra value to children that attend we also include enrichment activities that can include Multi-Sports, Arts & Crafts ,Football, Cricket, Tag Rugby, Gymnastics, Dance Workshops, Children's Entertainers, Emergency Services visits etc.
