

Year 2 Newsletter – 7th July 2023

Dear Parents,

We are entering our last two weeks of the academic year however we are still running at full speed with our learning and activities. Please remember to send in your child's PE kit as we have had quite a few without one this last week. We intend to send all PE kits home for the final time on the last Wednesday. Up to that point, we still plan to take part in PE lessons.

Please could all children bring in a **named carrier bag by Monday 17th**. Please send in the strongest possible as the children will be bringing all of their books home either Wednesday or Thursday of the last week. Children should keep their carrier bags in their trays until they are needed.

We will also be completing our final units in PSHCE. Please follow this link to the parent portal to look at the units your child will be covering.

We are working through Module 3: Unit 1 Session 2 and Module 3: Unit 2 Session 1.

The Year 2 Team

Next Week's Learning:

RE – Completing our unit on Treasures with a focus on the importance of water and how precious it is. We will be considering how other children around the world do not have access to clean water as easily as we have.

English – We will be focusing on handwriting and spelling this week.

Maths – We will be focusing on the CLIC skills and trying to beat our scores. (See a copy of the CLIC attached)

Geography and Computing – We will be combining our computing skills and our learning in Geography to create eBook presentations about Kenya.

1 Place in order
64 44 62 81

2 $9000 + 3000 =$

3 Double 18 is
Half of 64 is

4 $100 - \square = 71$

5 $54 \times 10 =$
 $720 \div 10 =$

6 $64 + 25 =$

7 $74 - 47 =$

8 $13 \div 5 =$
