

Year 2 Newsletter – 25th September 2023

Dear Parents,

We have had another busy week in Year 2 and the children have worked very hard. With the weather turning colder, we would like to remind parents to send in coats. Please label coats and any other item of clothing clearly with your child's name.

The Year 2 Team

Our big question is:

What would Traction Man use to make himself a new superhero costume?

Next week's learning:

RE: The children will be reflecting on the wonder of God's creation and how it shows His love for us.

English: We will start a new core text 'Lost and Found' by Oliver Jeffers. We will explore the story, predict the events and retell the story for our 'Big Write.'

We will have spelling test next Friday. The spellings for this week are on this newsletter.

Maths: We will be comparing and ordering numbers within 100.

Science: Continuing to test materials and discover their properties.

Computing: We will be creating our own e-books which continue. The children will be learning how to load images and text, change the order of the elements and add voice to their pages.

Spellings – Test Friday 29th September
