

Year 2 Newsletter –18th September 2023

Dear Parents,

Welcome to the new school year. Your children have settled in well and are getting used to the year 2 routine.

Year 2 will be having PE lessons on Tuesdays and **Wednesdays**. Please ensure that their PE kits are in school on Mondays.

The Year 2 Team

Our big question is:

What would Traction Man use to make himself a new superhero costume?

Next week's learning:

RE: We will be exploring Psalm 139 and thinking about the phrase; '**Great and wonderful Creator God, I thank you and I praise you for creating wonderful me.**'

English: We will begin to learn how to proof-read and edit our work and improve our sentences by making revisions and additions. We will also be looking at the expanded noun phrases.

Maths: Numbers up to 100 on the line, addition and subtraction using the line.

Science: Continuing to test materials and discover their properties.

Computing: We will be using 'Book Creator' (which is a free app to download on Apple and Google) to create e-books.

Homework: Each Friday the children will be given CLIC and spelling for homework. This should be completed and returned to school on the Wednesday of the following week.

Key Dates

22nd September – Online Meet the Teacher Videos (on G-Suite)

6th and 7th December – KS1 Nativity Play

Key Reminders

Please could you start collecting recyclable materials for our DT project. We would appreciate items such as plastic trays, yoghurt pots, cardboard, foil etc. We will be using these materials to make boats in a few weeks.
