

Dear parents and carers,

Thank you to all the parents who were able to attend our reading and phonics meeting yesterday. We had a great turnout and hope you found the session useful. If you were unable to attend you can find the powerpoint resource on the gsuite site homepage.

**Science:** We have now completed our science topic 'Who would live in a house like this?' The children have explored and investigated a range of different materials and what they can be used for.

After half term we will be beginning a new topic with a History focus.

**R.E:** In the first week back, we will be learning about Judaism.

**PE:** PE will begin the first week back so please ensure the children have their PE bags in school on the first day back. Our PE days will remain Wednesday and Friday next half term.

Please continue to read with your children over the half term and continue practicing their phonics skills as well as their number bonds to 10 for maths.

On the gsuite you can find a range of different Phonics and Maths resources to use with your children at home.

We hope you all have a restful half term break and look forward to seeing the children again on Monday 30<sup>th</sup> October.

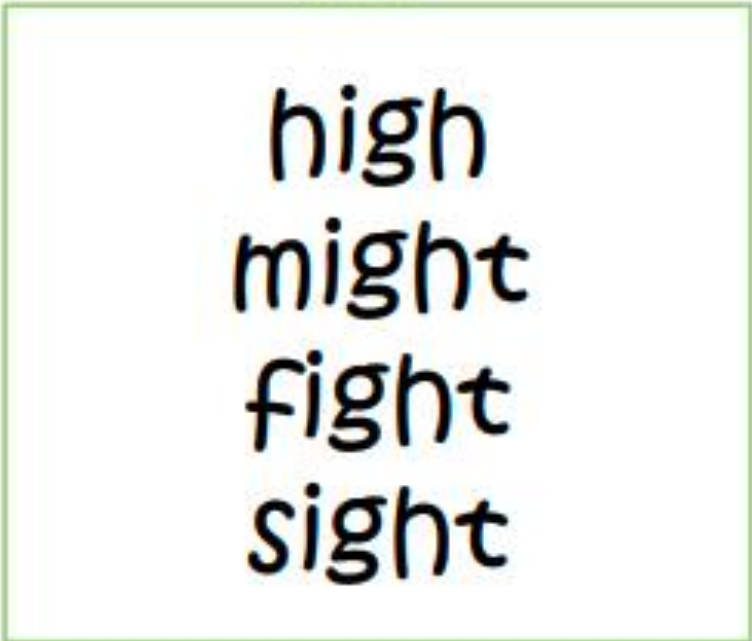

Thank you!

**The Year 1 Team**

Here is a reading home learning sheet with the sounds igh - fly high and ow - blow the snow. The sheet contains 'green words' with the sound and 'alien words'. Alien words are used to practice blending various sounds.

This is for you to practice at home with your child.

Real Words

Alien Words

 quigh	 zigh
 kigh	 glight
 dight	 pright

Real Words

OW

blow the snow

blow  
snow  
flow  
throw

Alien Words

sproW

zow

trow

drow
