

Dear parents and carers,

On **Thursday 19<sup>th</sup> October** we will be holding a year 1 reading and phonics meeting at **2:30pm**. This is open for all year 1 parents. We hope to see you in attendance.

Our Learning for the following week:

**Science:** We will be exploring malleable materials and what we can make using them.

**R.E:** We will be continuing our topic Belonging focusing on Baptisms. If you have any photos for your children's baptism, please send them in for the children to share with the class.

**English:** Our core text for the week is *The Gingerbread Man*. We will be writing instructions on how to make gingerbread.

**Maths:** This week we are learning the number bonds to 7 and will be subtracting 1-digit numbers. We will also be reading and writing numbers to 10 in numerals and words.

**D&T:** We will be making and decorating gingerbread men with the children. The children will be bringing their gingerbread men home once they are decorated.

**PE:** Year 1 PE days are currently Wednesday and Friday. Please ensure that the children come to school in their school uniform. We will get changed in class ready for our PE lessons. Please name all items clearly to ensure we can return uniform that has been misplaced.

Please ensure all uniform, book bags, PE bags, lunchboxes and water bottles are clearly labelled with your child's name.

Just a gentle reminder that if you have anything to discuss with the class teacher, please make an appointment through the school office.

Thank you!

**The Year 1 Team**

This week we have sent home a reading home learning sheet with the sound ay - may I play. The sheet contains 'green words' with the sound and 'alien words'. Alien words are used to practice blending various sounds.

This is for you to practice at home with your child.

### Real Words

play  
say  
may  
day

### Alien Words

 tay	 shay
 kay	 dray
 chay	 blay
