

Reception Newsletter Friday 24th November 2023

Dear Parents/Guardians,

Our book of the week has been 'Whatever Next by Jill Murphy. In Butterflies and Ladybirds we have had great fun building and creating rockets to travel to the moon. We all used our imagination to think about what it must have felt like going to the moon. We wrote a list of things we would like to take with us.

Due to technical difficulties, the QR code for this week's sounds will not be ready until the beginning of next week. We will put it on a sticker in the back of your child's reading record as soon as we can. We will also put the QR code for this week and next week in next week's newsletter.

Drawing Club

This week in Drawing Club we learnt the following new vocabulary: *confused, greeting, Martian, hostile, miserable*. Ask your children to see if they remember what any of them mean or can show you our action to go with each word.

Learning for the week beginning 27th November 2023

This week's learning:

- We will be learning these sounds:

- Our tricky word will be "your"
- In maths we will be learning about different ways of making the number 5. We will also be learning what the add and equals symbols mean.
- In RE we will be learning about Advent, in particular the meaning of the candles on an advent wreath.
- Our book of the week will be 'Owl Babies' by Martin Waddell.
- Our new vocabulary for drawing club this week will be leap, escape, bellowing, pondering, and misbehaving.

Best wishes

Mrs Clarke and Mrs Breslin.
