

Reception Newsletter Friday 3rd November 2023

Dear Parents/Guardians,

This week Butterflies and Ladybirds have had lots of fun learning about Pete the Cat and his four groovy buttons, we have also been exploring 2-D shapes. This week we were really excited to have our first music lesson with Mrs Longhurst in the music room, we talked about sounds in our environment.

Learning for the week beginning 6th November 2023

This week's learning:

- We will be learning these sounds

- Our tricky word will be "my"
- In maths we will be learning about 3d shapes: cube, cuboid, sphere, pyramid, cylinder, cone. We will be looking at their properties and making sure that we can recognise the shapes in different orientations.
- In RE we will be learning about Judaism.
- In literacy we will be exploring poetry.

Phonics meeting reminder

On Wednesday 8th November at 2.30p.m. we would like to invite all parents and family members to come in for a meeting where we will tell you all about our phonics scheme and how we teach the children to read in Reception. This will be held in the school hall, with entrance through the front office. Everyone is welcome.

Reading

Please make sure that you write in your child's reading record every time that you hear them read. Going forward, **we will not be changing your child's book if you have not let us know that you have finished it.** Please also make sure that your child has their book and their reading record in their book bag every day at school.

Best wishes

Mrs Clarke and Mrs Breslin.
