

Year 6 Homework Letter: 10.11.23

St Benedict's Class: Ms McDonald

St Brigid's Class: Mrs Haywood-White

Please find at the bottom of the letter information regarding the new half termly project. Thank you and well done to all of the children who created such informative and creative projects last half term. Mr Skehan thoroughly enjoyed looking at them! Unfortunately, a significant number of children did not produce a homework project despite numerous reminders and plenty of time to complete it. We hope this half term all children will hand in a project. Please inform teachers if there are any problems regarding the homework and we will do our best to support the children to complete their work.

HOMework – DUE BY WEDNESDAY 15th November:

Each child has been sent home with two CGP books, one for Maths and one for Grammar, Punctuation and Spelling. Each week they will be given pages to complete in both books. Children should mark their homework - answers are at the back of the books. Teachers have spoken to the children about this process and will be checking homework each week as has been done previously. Children will still need to hand in their homework on the given date. It would be advisable that children use pencils so they are able to rub out and correct should they need to.

READING: To support your child's reading skills, please listen to them read and discuss the book on a weekly basis. Your child should bring the reading record to school with your comment on a bi-weekly basis. Your child should be reading at least 20 minutes per day. Thank you for your continuous support.

SPELLING: Our **new 4 week spelling unit** is based on suffixes -tion, -ant, -ance, -ent, -ence. Please practise these with your child in preparation for a test on Monday. You have been allocated spelling game on BUG Club to practise.
