

Year 6 Homework Letter: 24.11.23

St Benedict's Class: Ms McDonald

St Brigid's Class: Mrs Haywood-White

Thank you for another great week everyone!

Reminder: Thank you to the parents for their help on the trip and well done to the children for their excellent behaviour!

HOMework – DUE BY WEDNESDAY 29th November:

Each child has been sent home with two CGP books, one for Maths and one for Grammar, Punctuation and Spelling. Each week they will be given pages to complete in both books. Children should mark their homework - answers are at the back of the books. Teachers have spoken to the children about this process and will be checking homework each week as has been done previously. Children will still need to hand in their homework on the given date. It would be advisable that children use pencils so they are able to rub out and correct should they need to.

READING: To support your child's reading skills, please listen to them read and discuss the book on a weekly basis. Your child should bring the reading record to school with your comment on a bi-weekly basis. Your child should be reading at least 20 minutes per day. Thank you for your continuous support.

SPELLING: Our **new 4 week spelling unit** is based on suffixes -tion, -able, -ably, -ible. Please practise these with your child in preparation for a test on Monday. You have been allocated spelling game on BUG Club to practise.

Spellings
adore
adoration
adorable
adorably
changeable
noticeable
tangible
forcible
definite
desperate

MATHS:

Please complete pages 68-69 circles.

Spelling, Punctuation and Grammar:

Please complete pages 48-49 brackets for extra information.

HALF TERMLY PROJECT:

This half term we would like the children to create a project all about **the Victorians!** This can include information about education, transport, daily life, food, royalty etc. Projects can include some reading, writing and drawing. Children may also wish to produce a working model.

Submission date: the week beginning the 18th December. We look forward to seeing what you produce!
