

## Reception Newsletter Wednesday 12th May 2021

Dear Parents/Guardians,

The children had great fun during Book Week and really enjoyed dressing up as heroes and taking part in their first ever whole school assembly - outside. The costumes were amazing and the children had great fun pretending to be heroes throughout the day. Keep an eye out for the next school newsletter and our G-Suite page for photos of the children.

### **RE**

We will be looking at the religion of Islam and learning about the Qur'an and Prayer Mats as special objects to Muslims.

### **Literacy**

This week we have been retelling the story, 'We're going on a Bear Hunt' by Michael Rosen. Next week, the children will be using the story structure to create their own 'animal hunt' stories.

### **Maths**

We will be counting to 20 and looking at how the teen numbers are made up of a 'ten' and a 'one'. We will be using numicon and tens frames to support their understanding.

### **Ladybirds and Butterflies Assemblies**

A reminder that this Friday (14th May) is Ladybirds assembly and next Friday (21st May) is Butterflies assembly. In normal times, parents are invited in to the school to watch the children lead the whole school assembly however this year, we will be recording the assembly and sharing it with parents on the Reception G-Suite site after the date .

### **Junk Modeling**

Thank you for the donations so far. Please continue to send in clean recycling materials for our junk modelling activities.

Kind regards

The Reception Team
