RE WEEK

Next week we will be celebrating RE Week with the children where the theme will be 'The Holy Family'. The children will be looking at the main events in the life of the Holy Family; the joys and the sorrows and the excellent example Mary and Joseph give to us. They will see how their own family mirrors that of Jesus, Mary and Joseph and how their example can help us in our own family life and life in our school.

Please help the children to understand the important role the Holy Family plays in our lives by looking at the stories in the Joyful Mysteries of the Rosary: The Annunciation of Our Lord, The Visitation, The Nativity of Jesus, The Presentation in the Temple and The Finding in the Temple. Try to say a decade of the Rosary together as a family at least once this week and pray for families who are separated from their loved ones for whatever reason.

Miss Courcey, *RE Lead*

SAVE THE DATES

Saturday 17th July 2021

It's been a very challenging year for everyone and while we hope and pray that the easing of Covid restrictions continues, we still need to keep in mind that some safety precautions in schools may be in place for some time to come.

That said, it would be a real step forward if we were able to celebrate as a school community at the end of the summer term, **on 17th July**, by coming along to an outdoor gathering at our school, to enjoy some refreshments and catch up with friends from our school community.

We can only confirm our summer get together after the government announcement on 21 June but for now simply **save this date!!**

Sunday 18th July 2021

Last year's leavers are now coming to the end of Year 7 in secondary school. They were unable to celebrate their end of primary career through our traditional milestones last summer but we did promise to invite them back to come together, as a year group, as soon as restrictions allowed.

With that in mind we'd like to invite our Year 6 classes of 2019-2020 to come for a, much delayed, Year group celebration at school on **18th July**.

We can only confirm this reunion event after the government announcement on 21 June but for now simply **save this date!!**

Please send this message out to other Year 7 children who may not have siblings at the school and would not normally see our school newsletter.
