### Captain Tom Day– Fund Raising

Children and staff had fun attempting to complete 100 exercises each as part of our 'Captain Tom' day on Wednesday. Staff showed off a range of talents including juggling, cartwheeling and press ups, and the children completed a circuit of activity challenges.

Thank you to everyone who contributed to our fund-raising for MIND in Croydon.

Total amount raised so far is an amazing **£1159** which will go towards supporting this very important mental health resource in Croydon.

### Electric Scooters

This message was sent to all schools this week from the Croydon police:

#### **E-scooters and the Law**

I am writing to provide you with the most recent information regarding the riding of e-scooters. Although e-scooters can be legally purchased, it is currently illegal to ride them on roads, cycle lanes and pavements and therefore they should not be brought or ridden into school. In addition to this, the riders of these scooters, not only put themselves at great risk from other road users, but also the popularity of these scooters has meant we have seen an increase in robbery offences.

Please can I ask for your support in protecting our young people by continuing to ban e-scooters from your school premises.
