

St Thomas Becket Catholic Primary School

EVIDENCING THE IMPACT OF THE PRIMARY
PE AND SPORT PREMIUM

2020-2021

Vision for the Primary PE and Sport Premium

ALL pupils leaving St Thomas Becket Primary School are physically literate and leave with the knowledge, skills, and motivation necessary to equip them for a healthy, active lifestyle which develops a lifelong participation in physical activity and sport.

The PE and sport premium funding has been provided to ensure impact against the following objective.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PESSPA being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

School foci from 2020/2021 will continue into 2021/2022 due to COVID 19.

Under the Ofsted Schools Inspection Framework 2019, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this. Schools are required to publish details of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).
