1. Preamble

- 1.1 This document sets out the Charging and Remissions Policy of the Governing Body of this School.
- 1.2 The 1988 Education Act requires such a Policy if any charges are to be levied by the School and it is the intention of the Governing Body that this document should comply with that Act.
- 1.3 The Governing Body believes the understanding of this document will be assisted if the objectives of the charging/remission provisions contained in the 1988 Act are listed
- To maintain the right to free school education
 - To establish that activities offered wholly or mainly in school hours should be available to all pupils regardless of their ability or willingness to pay.
 - To give LEAs and Schools the discretion to charge for optional activities provided wholly or mainly out of school hours
 - To confirm the right of LEAs and schools to invite voluntary contributions for the benefit of the school or in support of any activity organised by the school whether in or out of school hours.
- 1.4 The word 'parent' in this document shall be taken to mean also legal guardian of a pupil where this may be relevant.

2. Summary of the Charging/Remission Policy of the Governing Body

- 2.1 There is no charge of admission to this School
- 2.2 The decision of the Governing Body on the applicants to be admitted to this school will in no way be based on any consideration of the ability/willingness of their parents to make any contributions to the School.
- 2.3 With very few exceptions parents will not be required to pay for any activity arranged by the School or LEA for pupils which
- i) occurs wholly or mainly during school hours or which
 - ii) takes place wholly or mainly outside of school hours and where the activity is provided for prescribed public examinations, National Curriculum or Religious Education.

- 2.4 The Governing Body will seek to enhance the range of provision in the School through charges for activities such as individual or small group musical instrument tuition, through voluntary contributions from parents, and through activities arranged by third parties.
- 2.5 Where an activity is supported by voluntary contributions the Governing Body will not allow any pupil to be disadvantaged by the inability/unwillingness of a parent to contribute.
- 2.6 Where parents of a pupil are asked for any payment or contribution the amount concerned will not include any subsidy for any other pupil or activity.

- 3.3 A charge will be made for individual tuition in playing any musical instrument but only if this tuition is not provided to fulfil the statutory requirements of a prescribed public examination or of the National Curriculum. No charge will be made without prior parental agreement to pay.
- 3.4 Where tuition in playing any musical instrument is given in small groups then the same arrangements as in paras 3.2, 3.3 for individual tuition will apply.

Incidental Costs

- 3.5 No parents will be required to pay for or supply any materials, books or other equipment for use in educational activities provided wholly or mainly in school hours except where parents have indicated a wish to receive the finished products of an activity.
