22<sup>nd</sup> November 2021

Dear parent/carers,

We are looking forward to our Year 1 and 2 Nativity play next week. The Nativity performances are something we missed enormously last year due to COVID restrictions.

For everyone's safety, we need to implement some Covid measures for our performances as we do expect high audience numbers.

1. We ask all adults attending the nativity **to wear a mask** while in the school building.
2. In order to limit the number of adults attending, we will be using a ticket system. Each child will be allocated two tickets. The tickets can be used for either the Wednesday or Thursday performances or may be split across the two. Tickets are for admission only and will not dictate seating placements. Tickets will be numbered and labelled with your child's name. **Each child will be taking their tickets home in their book bag on Monday 29 December so check their bag at the end of that day.**

Please note that chairs will be for adults and any toddlers will need to sit on an adult's lap. No buggies / prams will be allowed in the school hall.

We know that parents and wider family members will be keen to watch the children perform and so we will video the performance and make this available via an online link, available only to members of our school community.

Thank you for your understanding and continued support.

Yours sincerely

Mr Campbell
