Dear parent/carers,

It has been my great privilege to serve as head teacher of St Thomas Becket for the past 16 years. I have however decided that the time is now right for me to relinquish my post and for a new head teacher to take our outstanding school on the next stage of its journey.

Our school has become so dear to my heart and I will leave with very special memories of the children, parents, staff and governors that have become my Becket family.

I will not be leaving until December, at the end of the autumn term. In the meantime, it will be 'business as usual' whilst we also seek to appoint a new head teacher in time to take up post on 1<sup>st</sup> January 2023.

Thank you for your continued support as ever.

Yours sincerely

Noel Campbell
