Gift Aid Donations

giftaid it

Dear Parents/Carers,

At St Thomas Becket Catholic Primary School we are committed to creating the best learning environment possible for our children.

Over the last few years we have updated and expanded many areas around the school mainly due to effective budgeting, our success in bidding for additional funding and the continued good work of the parents' association's fund raising events.

However annual parental contributions to the school, which can be part of Gift Aid funding, does also help to supply additional extras that enhance learning.

At the start of each year we ask for a small financial donation from each family to support our school and this year we are seeking your support to be able to maintain this extremely worthwhile initiative.

If all parents contribute £25 per family (although any amount is helpful) through the gift aid scheme we can raise approximately £7500 (including gift aid) to support our school.

How does the Gift Aid Scheme work?

For every pound donated to the school through the scheme, we are able to claim back from the Inland Revenue a further 25p.

If you are able to support the school in this way, then all you need to do is complete the electronic Gift Aid declaration form. Governors have suggested a contribution of £25 per family but any amount is helpful. This Voluntary Contribution can be found in your child's ParentPay account.

The high standards that we strive for at St Thomas Becket will continue irrespective of any Gift Aid contribution and your child will not suffer any inequality of opportunity if you decide you are unable to support us in this way.

Thank you for your continued support.

Yours sincerely,

Noel Campbell
