Friday, 21 October 2022

Dear Parents and carers,

As part of our Science topic on the Earth, Sun and Moon, Year 5 will be visiting the **Science Museum on Tuesday 22<sup>nd</sup> November.**

The children will need to arrive at school promptly via the school office at **8.10 am for registration.** We will be travelling by coach (**leaving at 8:30am**). The school will be subsidising the cost of this trip, meaning we will be asking for parent contributions of £15. This includes the price of the journey and an IMAX experience entitled, 'A Beautiful Planet'. We will also get the opportunity to view the space galleries to support the children's learning.

Please pay your £15 contribution via [ParentPay](#) by 15<sup>th</sup> November. We really do appreciate these contributions as they enable us to continue organising and providing trips like this in order to enrich the children's learning.

Each child will need a picnic lunch and water bottle in a **named rucksack (not Thomas Becket school bags)**, so that it can be easily identifiable once collected from the lockers. No glass bottles, chocolate or nuts please. Full school uniform is to be worn along with a **named coat** with hood.

We have a limited number of adult helper places available. **Please email the school to let your child's class teacher know if you are able to assist on the day. Thank you.**

Yours sincerely,

The Year 5 Team
