

Our RE inspection dominated the week this week, and we couldn't be prouder of how the children showed off their pride and love for their school. Thanks to everyone who purchased books at the book fair on Friday and Monday. The school takes a significant sum of the profits, so your purchases help us to continue to give the gift of books and reading to our children. Next week, we have a Lenten mass with Fr Keith on Monday (pupils and staff only) and we have our 2nd parents' evening of the term on Wednesday. Have a lovely weekend and fingers crossed the lovely spring weather returns again next week.

## ST JOSEPH CLASS ASSEMBLY

St Joseph assembly this morning was a wonderful celebration of their recent learning.

They shared their knowledge in science, literacy and RE, making good connections to their knowledge of Catholic Social Teaching.

Well done to the children and to their teachers who prepared them so well in a particularly busy week.

## YR 4 GIRLS' FOOTBALL

Our Yr4 girls played a very competitive friendly against South Norwood last Friday after school. Although we lost 3-1, the girls played with great spirit and enthusiasm, with Caroline and Alice particularly standing out.

## RE INSPECTION THANKS

We have been overwhelmed by all the good wishes and positive feedback we received this week during the CSI (Catholic Schools Inspection). Inspectors met with lots of different groups of pupils and were incredibly complimentary about their behaviour, attitudes and spirituality.

We will be able to share a report regarding the outcome in a few weeks time.

# BOYS' FOOTBALL

Our boys had a brilliant win in a tightly contested game against St John's on Wednesday, which confirmed our position as league winners! The boys will now go on to the knockout stage of the competition against other area league winners. Well done boys for back-to-back league wins for Becket and for Mr Slater for guiding them to this repeat success.

# BOWLING

Please give a massive clap and well done to our bowling team who competed for the first time against twelve Croydon schools. The afternoon was full of fun and excitement and St Thomas Becket team came 4th out of 12.

Well done!

# ACHIEVEMENT

Well done to **Poppy** (swimming, Yr 2);  
**Preston** (rugby, Yr 2);  
**Clara** (swimming, Yr 5);  
**Meghana** (maths, English and gymnastics, Yr 3);  
**Hettie** (swimming, Yr 3);  
**Joseph** (football, Yr 5);  
**Iman** (gymnastics, Yr 6);  
**Agnes** (gymnastics, Yr 3);  
and **Oscar** (rugby, Yr 3) for their excellent individual achievements this week.

# YR 1 TOY WORKSHOP

Today we had a fun Victorian toy workshop. I enjoyed the wooden acrobat toy because it was really funny. I also enjoyed the hula-hoop game because Dominika was great at it. We all learned how Victorian children say hello to their teachers which was very interesting and we learned about many different games that Victorian children played.
